

# **ATTENTION**

**The new microphones are ultra-sensitive, and all utterances are recorded electronically.**

**If you wish to communicate in total confidentiality, you are advised to leave the courtroom.**

**Note: Each counsel table microphone is equipped with a mute button.**

**To initiate, depress the PUSH button at the base of each microphone, and hold the button down until your conversation is completed.**

**Please see a courtroom clerk with any questions or for demonstration.**

**This procedure does not guarantee that your voice will not be picked up by another microphone.**
