
Chapter 13 Trustee Final Report Proposed/Completed or Dismissed Case/Converted Case

The Final Report is filed by a Chapter 13 Trustee when a case is concluded. The report indicates the outcome of the case; i.e., dismissed, converted or discharged. It also lists any funds paid to the Trustee by the Debtor and to whom the funds were disbursed.

Upon completion of a plan, and to allow the discharge to immediately enter, the Chapter 13 Trustee may file a **Proposed** Trustee's Report and Account and Notice of Deadline for Objections . This must be served on the debtor, debtor's counsel, creditors and other parties in interest. Parties have 20 days to file objections. After all checks have cleared, the Chapter 13 Trustee will file a Final Report and Account and Request for Discharge of Trustee.
