**\*\*For errors made in events where a fee was paid, the Court will contact the filer with instructions to fix the error. Eventually, for continuous errors we will keep the fee.**

**\*\* If a filer realizes they made an error immediately after filing, they may file an amended document to remedy the error, thus avoiding the Clerk's Office from terminating the document filed. (See next page for *actual amended events*)**

**\*\*Any case opening errors (docket or PDF) will be corrected by the Court. An Amended 341 notice will be sent out after corrections are made.**
