Annual Open Meeting with the Bankruptcy Court

You are invited to attend a public discussion with Rhode Island Bankruptcy Judge Diane Finkle.

We want to hear your comments, suggestions, and input about the Bankruptcy Court's processes and procedures in light of the Court's recently updated Local Rules and the significant amendments to the Loss Mitigation Program in June of this year!

- How is the Court doing?
- Have the updated Local Rules addressed areas of past concern?
- Are there more things we can do to help service you and your clients?
- Loss Mitigation Program:
 - Is it working better since the program was changed?
