**(e) Late Filed Documents:-**

(1) Any response, objection, status report or other document filed after the applicable deadline provided under [the Federal Rules of Bankruptcy Procedure](#), these local rules and/or as established by Order of the Court, must be accompanied by a separate Motion to File Out of Time, setting forth the reasons why the document was not timely filed and why permitting a late filing is warranted.

(2) Motions to File Out of Time shall not include subsection (d) objection language. See LBR 1005-1(d)(2)(M). The Court will establish a deadline for any response to the motion if, in its discretion, it is warranted by the circumstances.

(3) Any such late filed documents not accompanied by the separate Motion to File Out of Time will be stricken and treated as if never filed, and may result in the granting of the document that was not timely responded to, without further hearing unless the required Motion to File Out of time and previously stricken document is filed within 3 calendar days of the entry striking the document.

(4) For documents that are timely filed but stricken as defective, provided that the corrected document is filed within 3 calendar days of the entry striking the document, the corrected document will relate back to the original filing date and no Motion to File Out of Time is required.
