Notice of New and Updated Attorney Bankruptcy Practice Resources

PLEASE TAKE NOTICE:

The Court is pleased to announce the posting of two Bankruptcy Practice Resources for use by members of the Bankruptcy Bar. The first is a new "[Attorney Handbook](#)" which contains an alphabetical listing of court procedures with links to related rules, forms and topics. This resource also includes contact information for further questions about specific procedures. In addition, the former Attorney User Manual has been substantially revised and renamed the "[Electronic Filer User Manual](#)". This resource provides step by step electronic filing instructions for the majority of document filings made with the court and also includes links to relevant rules and forms. Both of these resources are located under the For Attorneys menu> Bankruptcy Resources and Manuals.

The screenshot shows the website header with the court's name and judges' names. A navigation menu includes 'For Attorneys'. Below, the 'Bankruptcy Resources & Manuals' page is displayed, with a list of resources including the 'Attorney Handbook' and 'Electronic Filer User Manual'. Red arrows indicate the path from the menu to the specific resources.

I highly recommend that you consult these resources in the course of your practice before the bankruptcy court and if you find topics that are not covered, please feel free to submit a request through our Help Desk Email Box at rib_helpdesk@rib.uscourts.gov.
