Local Rules And Loss Mitigation Program**

At the January 24, 2013 meeting of the Attorney Advisory Committee, two new subcommittees were formed to consider potential changes to the Bankruptcy Court's local rules and its loss mitigation program. The Court is interested in receiving recommendations from all members of the Bar and has created two new email accounts to accept your suggestions. Below is the membership of each subcommittee and the email addresses for submitting comments. In addition, please feel free to contact any member of a subcommittee with your ideas as well. The two groups plan to begin meeting in February so submission within the next several weeks would be helpful.
