FIRST CIRCUIT COURT OF APPEALS PRESERVING INTERNET CITATIONS IN OPINIONS

BOSTON (October 24, 2017) — United States Court of Appeals for the First Circuit opinions occasionally contain citations to web pages. Unfortunately, after a period of time, some of those web pages change or vanish.

Since 2011, the Library in the First Circuit has been capturing any web page cited in a First Circuit opinion, converting it into a PDF document, and archiving it in a website repository. Beginning November 1, 2017, that repository will be available on the court's public website.

In addition, beginning with opinions issued on or after November 1, 2017, the Library will forward a copy of the PDF document to the Clerk's Office for docketing immediately after the opinion in the electronic docket for the case. The electronic docket is available through PACER.

For more information, please contact Administrative Attorney Stephen B. Turner, at 617-748-9065.
