DISTRICT OF RHODE ISLAND

---

In re: Leon Z. Mener, Esquire

Miscellaneous Proceeding No. 12-00110

---

**ORDER BARRING ATTORNEY LEON Z. MENER FROM FUTURE FILINGS WITH  
THE BANKRUPTCY COURT FOR FAILURE TO BECOME AN  
ELECTRONIC FILER IN ACCORDANCE WITH LBR 5005-4**

On July 17, 2012, the Court issued a Notice re Mandatory Filing in Bankruptcy Case 11-10738 [doc. #87] requiring Attorney Leon Z. Mener to become a registered CM/ECF user in accordance with LBR 5005-4(c)(2), or seek an exemption from electronic filing within twenty-one days. No action was taken by Attorney Mener to the Court's Notice.

Thereafter, on August 9, 2012, an Order to Show Cause was issued in BK 11-10738 [doc. #96] as to why any future document(s) filed by Attorney Leon Z. Mener should not be accepted unless electronically filed with the court, with a 14-day response date. Attorney notified the Court telephonically that he no longer wishes to pursue the present matter in BK 11-10738, and would not be filing anything further before the Bankruptcy Court.

As Attorney Mener has chosen not to become a registered CM/ECF user, it is hereby ORDERED, ADJUDGED and DECREED that Attorney Leon Z. Mener is hereby BARRED from conventionally filing any future documents with this Court, and the Clerk is hereby instructed to refuse all such conventional filings by Attorney Mener. Counsel may file any future documents with the Court by becoming an electronic filer.
