**ORDER DENYING MOTION FOR COURT APPOINTED ATTORNEY**

Before the Court is Harold Chorney's Motion for a Court Appointed Attorney. As there is nothing pending in this eleven year old bankruptcy case requiring the appointment of counsel, and we can find no authority authorizing the Court to appoint an attorney in these circumstances, nor does the Movant cite any authority in his motion, Mr. Chorney's Motion is **DENIED**. However, the Court has contacted Nelson Cardenas of the Rhode Island Bar Association at (401)421-7758, who stated that they would attempt to assist Mr. Chorney in obtaining pro bono counsel if he meets the guidelines for such assistance. Mr. Chorney should feel free to call Mr. Cardenas at the above referenced number.
