

MARCH 2019 STATUS REPORT ON BANKRUPTCY LEGAL CLINIC

1. The RI Bankruptcy Legal Clinic ("the Clinic") commenced in January 2017 and in the following 26 months, 72 appointments were booked for 46 clinic session dates.
2. Of the 72 customers registered for the clinic:
 - a. Seventy-two percent (72% or 52 people) actually attended their clinic session;
 - b. Seventeen percent (17% or 12 people) were a "no show", failing to appear at their session; and
 - c. Eleven percent (11% or 8 people) cancelled sometime after scheduling but before the clinic date.
3. Of the 52 people who attended a clinic session – did they file bankruptcy before clinic session, after or not at all?
 - a. Thirty-eight percent of the customers (38% or 20 people) had filed for bankruptcy *before* attending the clinic (twelve under chapter 7 and eight under chapter 13).
 - b. Fifteen percent of the customers (15% or 8 people) filed bankruptcy *after* attending the clinic (six under chapter 7 and two under chapter 13).
 - c. Forty-six percent of the customers (46% or 24 people) did not file bankruptcy in RI.
4. Of the 28 customers who filed for bankruptcy in RI either before or after the clinic session, thirty-two percent (32% or 9 people) were represented by counsel and the remaining sixty-eight percent (68% or 19 people) were pro se.
5. Outcomes for the 52 customers served by the clinic:
 - Twenty five percent (25% or 13 people) received a bankruptcy discharge (all under chapter 7).
 - Twenty-one percent (21% or 11 people) were dismissed (four under chapter 7 and seven under chapter 13).
 - Forty-six percent (46% or 24 people) have not filed in RI to date.
 - Eight percent of cases (8% or 4 people) are still pending (three under chapter 13 and one under chapter 7).
