

NOVEMBER 2021 STATUS REPORT ON BANKRUPTCY LEGAL CLINIC

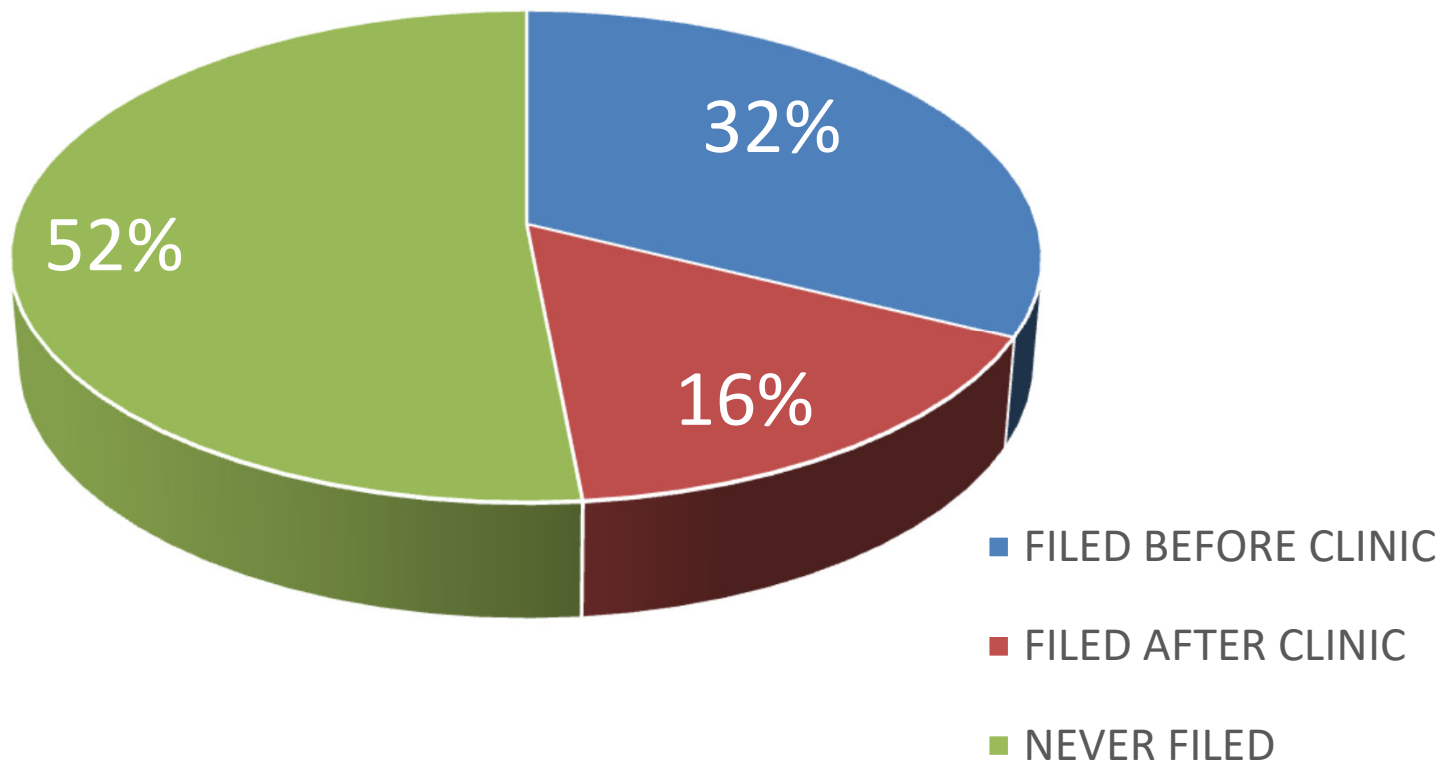

1. The RI Bankruptcy Legal Clinic ("the Clinic") commenced in January 2017 and since then, 130 appointments were booked for 84 clinic session dates.
2. Of the 130 customers registered for the clinic:
 - a. Seventy-six percent (76% or 99 people) actually attended their clinic session;
 - b. Ten percent (10% or 13 people) were a "no show", failing to appear at their session; and
 - c. Fourteen percent (14% or 18 people) cancelled sometime after scheduling but before the clinic date.
3. Of the 99 people who attended a clinic session – did they file bankruptcy before clinic session, after or not at all?
 - a. Thirty-two percent of the customers (32% or 32 people) had filed for bankruptcy *before* attending the clinic (20 under chapter 7 and 12 under chapter 13).
 - b. Sixteen percent of the customers (16% or 16 people) filed bankruptcy *after* attending the clinic (13 under chapter 7 and 3 under chapter 13).
 - c. Fifty-two percent of the customers (52% or 51 people) did not file bankruptcy in RI.
4. Of the 48 customers who filed for bankruptcy in RI either before or after the clinic session, twenty-nine percent (29% or 14 people) were represented by counsel and the remaining seventy-one percent (71% or 34 people) were pro se.
5. Outcomes for the 99 customers served by the clinic:
 - Twenty-seven percent (27% or 27 people) received a bankruptcy discharge (all under chapter 7).
 - Twenty percent (20% or 20 people) were dismissed (eight under chapter 7 and 12 under chapter 13).
 - Fifty-two percent (52% or 51 people) have not filed in RI to date.
 - One chapter 13 case is still pending.
